Chapter 1 by Gabbatehler

testing ...

Chapter 2 by Rebecca

This is the third test. The microphone isn't working. My hands shake while my stomach fills with eager butterflies.

Chapter 3 by SaintSayaka

This is the fifth test. The novelty has long worn off. This experiment needs to work by morning, or the human race is doomed. I test the microphone again. Now, it's the only thing working, and the rest of the android remains unresponsive. At least before it blinked...now, it occurs to me how lonely my lab is. I fear that my only assistant is dead, another victim of the Wastelands - but I must push such thoughts out of my head.

This is the sixth test.
